To all Methodists

As we celebrate the rain falling in Cape Town that has averted the danger of Day Zero, we also acknowledge the negative impact that flooding has had on many, especially the poor in that city.

We call on all Methodists to stand together in prayer for those who have been affected by the flooding and encourage those who can, to also assist in kind. May our ecumenical family in the Western Cape come together at this time and through collaborative effort, assist the needy. We also ask for prayers for the leadership of both the city of Cape Town and the Western Cape Government as they work together to assist the desperate citizens.

Let us continue to be together with Gods people and all of creation.

Kind regards,

Zipho Siwa (Presiding Bishop)

A willing Follower
