### WHAT IF YOU CAME TO DIE

#### ONLY TO DISCOVER THAT YOU NEVER REALLY LIVED?

4 Biblical women teach us that God offers hope where there seems to be no hope. We tend to look at Eve and blame her for the world's sinful nature. We judge Sarah for getting impatient and destroying many lives in the process. We scoff at Miriam for not knowing her worth and challenging the status quo. We allow our past to influence our current decisions, not making any effort to change our destinies. Rahab did! We allow our sin to come between us and God. We sanction shame and guilt to keep us prisoner so that we stop taking chances, and do not live life to the full.

*"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure."*
